

SUSSEX COUNTY TECHNICAL SCHOOL
School Based Youth Services Program - The Student Center

Sun-sation Freshman Program

May 19, 2021

Dear Parent/Guardian,

We are happy to introduce you and your student to the Student Center's freshman transition program, Sun-sation! Sun-sation is a four-day program allowing incoming freshmen to meet other new students, become familiar with the school and our staff, and generally have fun! We anticipate that this program will be in-person.

The program will run for four days, **Mon. July 12th - Thurs. July 15th**, with two different sessions:

-Session 1 will run from 9 am to 12 pm

-Session 2 will run from 1 pm to 4 pm

Both sessions are identical in programming. Please choose either the morning or the afternoon set of sessions. The program is free and includes a light snack and drinks. There is NO transportation to or from the school and NO nursing will be on site. **Students must be picked up PROMPTLY at 12 pm or 4 pm, based on your session choice. Tardiness will result in dismissal from the rest of the program. We do not have staff available after those hours to supervise your child.**

Students will have the opportunity to use the recreational facilities. The student center houses two pool tables, foosball, shuffleboard, video games, iPads, board games and more! Our outdoor area includes a beach volleyball court, tetherball, softball (or kickball) field, and other outdoor games such as Kanjam, cornhole, street hockey, soccer, football, 4-way tug of war, and so much more!

If you would like your child to participate, please complete and send back the permission slip on the next page by **Friday, June 4, 2021**. We look forward to hearing from you and meeting your child! If you have any questions, please contact the student center secretary, Tracey McNamara at 973-383-6700 x331 or tmcnamara@sussextech.org between the hours of 8AM-12PM. You may also contact Suzanne Sarner at 973-383-6700 x329 or ssarner@sussextech.org. Feel free to leave a message and we will return your call or email.

This program is extremely popular and fills very quickly. We have had to limit enrollment in the past, so be sure to get your registration in soon! You will receive a confirmation via e-mail. *If you do not hear from us within a week of sending the form, your child is **NOT** confirmed. Please call to check. We look forward to meeting your student and to answering any questions you may have.

Sincerely,

Suzanne Sarner, MA, LPC
Director, SBYSP/APPI
